

ICAR Organized training on Agribusiness

From 24th January 2014 to 31st January 2014 ICAR RC for NEH organized training on “Agribusiness Opportunities in North East Region at the institute conference hall. Almost 25 lectures have been delivered on different topics .Near about 20 participants from across the North –East took part in the training. Professionals from different background like subject matter specialist, district agriculture officers, students, scientists etc took part in the training. Experts from various institutes like NERAMAC, APEDA, SFCA and marketing board, Meghalaya etc .provided their valuable inputs in the form of lectures. According to trainees feedback it was a unique experience for them as this training session not only provided answers to their queries but also shown future prospect of agri-business to them .
