

TRAINING PROGRAMME ON SRI CONDUCTED BY KVK WEST SIANG

A two days training programme on “System of Rice Intensification-An Ideal System for Higher Production and Productivity in Arunachal Pradesh” was conducted by KVK West Siang from 26-27th June,2014 under the SRI-A Pilot Project under RKVY. During the programme Shri A. Kirankumar Singh, I/C Programme Coordinator presented powerpoint with the findings of the Project in local situation. The programme was attended by 30 participants including 5 extension functionaries of line department. Shri Singh demonstrated practically how the sowing is done under this system. Further, he apprised the participants to adopt the system in their fields with the proper technical guidance of the KVK West Siang for getting higher production and productivity of rice.
