

# Swachhata Pakhwada

Swachhata Pakhwada is being observed in ICAR Research Complex for NEH Region, Umiam, Meghalaya during 16<sup>th</sup> to 31<sup>st</sup> October, 2016 including its six regional centers and KVKs spread across the seven states of North East India. The event at Umiam was officially inaugurated on 17<sup>th</sup> October, 2015 at ICAR Research Complex for NEH Region, Umiam. The Swachhata pledge was administered to all the employees of the institute by Dr. S. V. Ngachan, Director, ICAR Research Complex for NEH Region, Umiam. Dr Ngachan emphasizes on importance of cleanliness and urged all the staff to join hands for transforming the institute and subsequently the country into a clean country. Dr A. K. Tripathi, Nodal Officer of the Program and Head of Social Science, informed the gathering about the seriousness of events which would be undertaken during Swachhata Pakhawada. After the pledge, the mass cleanliness drive was undertaken by staff both on campus and off campus.

Glimpses of the pledge taking program including cleanliness activities undertaken on and off campus of the institute at Umiam, Meghalaya.
