Subject: *Training Programme on Data Analysis using SAS under the Consortia-based research Project "Strengthening Statistical Computing for NARS"*

Sir,

As you are aware that Indian Council of Agricultural Research (ICAR) is popularizing the statistical Software SAS throughout the NARS Institutes including CAUs, SAUs, and the software would be a base for statistical analysis in the coming days. The software is having an efficient and diversified application covering plant science, animal science, forestry, social sciences, etc. It makes a compulsion for all NARS personnel to have an exposure and acquainted with the software.

As an initiative the ICAR through NAIP have launched the project on Strengthening Statistical Computing for NARS through nine selected centres in India for imparting training of NARS personnel.

Our institute, ICAR Research Complex for NEH Region, Umiam, Meghalaya has been assigned to train NARS personnel located in NEH Region. The 7th training programme on Data Analysis Using SAS will be organized at **Central Agricultural University, Iroishemba, Imphal, Manipur** during **January 6-11, 2014.**

You are requested to kindly nominate two-three research personnel of any subject from your organization for this training programme. The nominated person should be a permanent employee of your organization. The filled in application form should reach us latest by November 26, 2013. In all 20 participants will be selected for this course.

Following NAIP guidelines, the expenditure on TA grant would be reimbursed as per entitlement by train but restricted to maximum of AC II tier fare. Free boarding and lodging arrangements would be made at the guest house of Central Agricultural University, Imphal. The participants are requested to book their tickets only after receiving confirmation from ICAR Research Complex for NEH Region, Umiam, Meghalaya.

The nomination of the sponsored candidates (proforma enclosed) may please be sent to

N. Uttam Singh,
Scientist, Agril. Statistics,
Division of Social Science
ICAR Research Complex for NEH Region
Umiam, Meghalaya - 793103
Mobile: 09402134177

Advance soft copy may be sent to uttamba@gmail.com.

Thanking you.

S. V. Ngachan
Director

Strengthening Statistical Computing for NARS

Training Programme on

Data Analysis using SAS (January 6-11, 2014)

1. Full Name (in Capital letters)   :

2. Designation   :

3. Discipline   :

4. Area of Specialization   :

5. Present employer and address   :

6. Date of Birth   :

7. Sex (Male / Female)   :

8. Address of the Applicant   :

     (a)   Official   Tel. No.   :
                       Fax No.   :
                       Mobile   :
                       E-mail   :
                       Institute Name   :
                       Address   :

     (b)   Residential   Tel. No.   :
                         Address   :

9. Educational Qualifications:

Exam. passed	Subjects Main / subsidiary	Year of Passing	Class/ Division etc.	University / Institution
Ph.D.				
Masters Degree				
Others				

10. Teaching/ Research / Professional Experience(mention post held during last 5 years

and number of publications):

11. Level of knowledge of Statistics, :
    and Computer usage

12. Have you ever attended training :
    programme on SAS, if yes,
    please give details

Signature of the Applicant with Date:

Recommendations of the forwarding Institute

Signature of the forwarding authority with Seal and Date

Certificate

It is certified that the information furnished above is correct. Traveling allowances will be paid / not paid by this office.

Signature of the sponsoring authority with seal and Date
