SCRUTINY AND EVALUATION OF BIDS

26. Basic Principle

26.1 Bids will be evaluated on the basis of the terms & conditions already incorporated in the Bidding document, based on which Bids have been received and the terms, conditions etc. mentioned by the Bidders in their Bids. No new condition will be brought in while scrutinizing and evaluating the Bids.

27. Preliminary Scrutiny of Bids

27.1 The Bids will first be scrutinized to determine whether they are complete and meet the essential and important requirements, conditions etc. as prescribed in the Bidding document. The Bids, which do not they meet the basic requirements, are liable to be treated as unresponsive and ignored.

27.2 The following are some of the important aspects, for which a Bid may be declared unresponsive and ignored;

- (i) Bid is unsigned.
- (ii) Bidder is not eligible.
- (iii) Bid validity is shorter than the required period.
- (iii) Required BID SECURITY has not been provided.
- (iv) Required warranty is shorter than as mentioned in SCC.
- (v) Bidder has quoted for goods manufactured by a different firm without the required authority letter from that manufacturer.
- (vi) Bidder has not agreed to give the required performance security.
- (vii) Goods offered are sub-standard, not meeting the required specification etc.
- (viii) Bidder has quoted variable price against the requirement of firm price.
- (ix) Delivery period quoted by the Bidder is beyond the required period projected in the Bidding document.

- (x) Against a schedule in the List of Requirement (incorporated in the Bidding), the Bidder has not quoted for the entire requirement as specified in that schedule.
- (xi) Bidder has not agreed to essential condition(s) specially incorporated in the Bidding.

28. Minor Informality/Irregularity/Non-Conformity

- 28.1 If during the preliminary examination, the purchaser find any minor informality and/or irregularity and/or non-conformity in a Bid, the purchaser may waive the same provided it does not constitute any material deviation and financial impact and, also, does not prejudice or affect the ranking order of the Bidders. Wherever necessary, the purchaser will convey its observation on such 'minor' issues to the Bidder by registered/speed post etc. asking the Bidder to respond by a specified date. If the Bidder does not reply by the specified date or gives evasive reply without clarifying the point at issue in clear terms, that Bid will be liable to be ignored.

29. Discrepancy in Prices

- 29.1 If, in the price structure quoted by a Bidder, there is discrepancy between the unit price and the total price (which is obtained by multiplying the unit price by the quantity), the unit price shall prevail and the total price corrected accordingly, unless the purchaser feels that the Bidder has made a mistake in placing the decimal point in the unit price, in which case the total price as quoted shall prevail over the unit price and the unit price corrected accordingly.
- 29.2 If there is an error in a total price, which has been worked out through addition and/or subtraction of subtotals, the subtotals shall prevail and the total corrected; and
- 29.3 If there is a discrepancy between the amounts express in words and figures, the amount in words shall prevail, subject to sub clause 29.1 and 29.2 above.
- 29.4 If, as per the judgment of the purchaser, there is any such arithmetical discrepancy in a Bid, the same will be suitably conveyed to the Bidder by registered / speed post. If the Bidder does not agree to the observation of the purchaser, the Bid is liable to be ignored.

30. Discrepancy between original and copies of Bid (Not applicable for e-procurement)

- 30.1 In case any discrepancy is observed between the text etc. of the original copy and that in the other copies of the same Bid set, the text etc. of the original copy shall prevail. Here also, the purchaser will convey its observation suitably to the Bidder by register / speed post and, if the Bidder does not accept the purchaser's observation, that Bid will be liable to be ignored.

31. Qualification Criteria

- 31.1 Bids of the Bidders, who do not meet the required qualification criteria prescribed in Section IX, will be treated as unresponsive and will not be considered further.

32. Conversion of Bid currencies to Indian Rupees

- 32.1 In case the Bidding document permits the Bidders to quote their prices in different currencies, all such quoted prices of the responsive Bidders will be converted to a single currency viz., Indian Rupees for the purpose of equitable comparison and evaluation, as per the B.C. selling exchange rates established by the State Bank of India for similar transaction, as on the date of Bid opening.

33. Schedule-wise Evaluation

- 33.1 In case the List of Requirements contains more than one schedule, the responsive Bids will be evaluated and compared separately for each schedule. The Bid for a schedule will not be considered if the complete requirement prescribed in that schedule is not included in the Bid. However, as already mentioned in GITB sub clause 13.2, Bidders have the option to quote for any one or more schedules and offer discounts for combined schedules. Such discounts, wherever applicable, will be taken into account to determine the Bid or combination of Bids offering the lowest evaluated cost for the purchaser in deciding the successful Bidder for each schedule, subject to that Bidder(s) being responsive.

Comparison on CIP Destination Basis

34.1 Unless mentioned otherwise in “Section-III: – Special Instructions to Bidders” and “Section-VI “– List of Requirements”, the comparison of the responsive Bids shall be on “CIP destination basis, duly delivered, commissioned, etc.”, as the case may be.

35. Additional Factors and Parameters for Evaluation and Ranking of Responsive Bids

35.1 Further to GITB Clause 34 above, the purchaser’s evaluation of a Bid will include and take into account the following:

- i) in the case of goods manufactured in India or goods of foreign origin already located in India, sales tax & other similar taxes and excise duty & other similar duties, which will be contractually payable (to the Bidder), on the goods, if a contract is awarded on the Bidder; and
- ii) in the case of goods of foreign origin offered from abroad, customs duty and other similar import duties/taxes, which will be contractually payable (to the Bidder) on the goods if the contract is awarded on the Bidder.

35.2 The purchaser’s evaluation of Bid will also take into account the additional factors, if any, incorporated in SITB in the manner and to the extent indicated therein.

35.3 In case there is provision in the Bid documents for price preference to small scale sectors etc. and purchase preference to central public sector undertakings, the same will also be taken care of while evaluating, comparing and ranking the responsive Bids.

35.4 If the Bids have been invited on variable price basis, the Bids will be evaluated, compared and ranked on the basis of the position as prevailing on the day of Bid opening and not on the basis of any future date.

36. Bidder’s capability to perform the contract

36.1 The purchaser, through the above process of Bid scrutiny and Bid evaluation will determine to its satisfaction whether the Bidder, *whose Bid has been determined as the lowest evaluated responsive Bid*, is eligible, qualified and capable in all respects to perform the contract satisfactorily. If there is more than one schedule in the List of Requirements, *then, such determination will be made separately for each schedule.*

36.2 The above mentioned determination will *inter alia*, take into account the Bidder’s financial, technical and production capabilities for satisfying all the requirements of the purchaser as incorporated in the Bid document. Such determination will be based upon scrutiny and examination of all relevant data and details submitted by the Bidder in its Bid as well as such other allied information as deemed appropriate by the purchaser.

37. Contacting the Purchaser

37.1 From the time of submission of Bid to the time of awarding the contract, if a Bidder needs to contact the purchaser for any reason relating to this Bidding and / or its Bid, it should do so only in writing.

37.2 In case a Bidder attempts to influence the purchaser in the purchaser’s decision on scrutiny, comparison & evaluation of Bids and awarding the contract, the Bid of the Bidder shall be liable for rejection in addition to appropriate administrative actions being taken against that Bidder, as deemed fit by the purchaser.

G. AWARD OF CONTRACT

38. Purchaser’s Right to accept any Bid and to reject any or All Bids

38.1 The purchaser reserves the right to accept in part or in full any Bid or reject any Bid without assigning any reason or to cancel the Bidding process and reject all Bids at any time prior to award of contract, without incurring any liability, whatsoever to the affected Bidder or Bidders.

39. Award Criteria

39.1 Subject to GITB clause 38 above, the contract will be awarded to the lowest evaluated responsive Bidder decided by the purchaser in terms of GITB Clause 36.

40. Variation of Quantities at the Time of Award

- 40.1 At the time of awarding the contract, the purchaser reserves the right to increase or decrease by upto twenty-five per cent, the quantity of goods and services mentioned in the schedule (s) in the “List of Requirements” without any change in the unit price and other terms & conditions quoted by the Bidder.

41. Notification of Award

- 41.1 Before expiry of the Bid validity period, the purchaser will notify the successful Bidder(s) in writing, by registered / speed post or by fax/ telex/cable (to be confirmed by registered / speed post) that its Bid for goods & services, which have been selected by the purchaser, has been accepted, also briefly indicating there in the essential details like description, specification and quantity of the goods & services and corresponding prices accepted. The successful Bidder must furnish to the purchaser the required performance security within twenty-one days from the date of this notification. Relevant details about the Performance Security have been provided under GCC Clause 5 under Section IV.
- 41.2 The notification of award shall constitute the conclusion of the contract.

42. Issue of Contract

- 42.1 Promptly after notification of award, the purchaser will mail the contract form (as per Section XVI) duly completed and signed, in duplicate, to the successful Bidder by registered / speed post.
- 42.2 Within fifteen days from the date of the contract, the successful Bidder will return the original copy of the contract, duly signed and dated, to the purchaser by registered / speed post.

43. Non-receipt of Performance Security and Contract by the Purchaser

- 43.1 Failure of the successful Bidder in providing performance security and / or returning contract copy duly signed in terms of GITB clauses 41 and 42 above shall make the Bidder liable for forfeiture of its BID SECURITY and, also, for further actions by the purchaser against it.

44. Return of Bid Security (i.e. EMD)

- 44.1 The earnest money of the successful Bidder and the unsuccessful Bidders will be returned to them without any interest, whatsoever, in terms of GITB Clause 19.6.

45. Publication of Bid Result

- 45.1 The name and address of the successful Bidder(s) receiving the contract(s) will be mentioned in the notice board/bulletin/web site of the purchaser.
