

KVK West Siang conducts Technology Demonstration under ATMA

Basar, 17th December, 2016

A day long Technology Demonstration and application of Bordeaux preparation for orange orchards was conducted on 17th December, 2016 by KVK West Siang, ICAR A.P-Centre, Basar at Bam village of West Siang District under ATMA for selected orange growing progressive farmers. All together 25 participants including 21 female, 4 male farmers participated in the said programme.

The programme was initiated with demonstration on preparation of Bordeaux paste preparation by Dr. Kangabam Suraj Singh, SMS Plant Protection who briefly explained about the needs of Bordeaux paste in orange plants for post monsoon Bordeaux paste application on the tree trunk. Further technical session was continued by him with the hands-on training on post monsoon Bordeaux paste application on tree trunk of orange tree in Mr. Babom Bam's orchard. Orange tree basin, tree trunk and leaves were applied pesticide. Total numbers of 52 orange trees were applied Bordeaux.

The programme was concluded successfully and farmers appreciated the effort of KVK West Siang and ATMA.
