

## Oilseed Training programme cum input distribution conducted by KVK Anjaw at Chaklagam

One day training on oilseed production technology was organised by KVK Anjaw at Chaklagam on 7<sup>th</sup> October 2017. All together 34 farmers including farmer, farm women and rural youths attended the training programme. Khoisnam Naveen, Subject Matter Specialist (SMS, Agronomy) was the coordinator of the training programme. He stressed the importance and uses of different oilseed crops .He spoke on critical aspects of Toria oilseed cultivation for higher production and productivity and importance of soil testing for evaluating available soil nutrients. A group discussion was held with the KVK team and farmers present in the meeting. At the end of the programme Toria seeds (TS-38) were distributed to the farmers present.
