

## KVK CELEBRATED WORLD ENVIRONMENT DAY

Krishi Vigyan Kendra Anjaw celebrated the **“World Environment Day”** on 5<sup>th</sup> June 2017 at Tafraliang Middle School, Tafraliang Village, Hayuliang Circle. The programme was witnessed by 55 farmers and rural youths including school children. The programme was started with the welcome address from Shri. S. Peter Singh (Programme Coordinator I/C) and highlighted to all the participants behind the celebration of the said day. He also motivated to all the villagers to join hand towards clean and green environment. Dr. Senpon Ngomle, SMS, Plant Protection also shared the ideas and theme of the important day to the villagers so as to aware among them and other neighbouring villages. As a part of popularization of fodder crops, seeds of maize and rice bean were also distributed from the hand of Dr. Tilling Tayo, SMS, Animal Sciences and Ms. Rebecca Eko, SMS, Horticulture among the members SYADU SHG and other farm women. Lastly, tree saplings were also planted nearby the school premises as a marked of observation of the day. Presently, Tafraliang village is also an adopted village under the **“Doubling Farmers Income by 2022 Programme”**.
